## LITTLE MORE INFO.....

The summer meal program is open to kids and teens ages 18 and younger at summer sites across qualifying communities in Minnesota. Meals will be provided to all children without charge and are the same for all children regardless of race, color, national origin, sex, age, or disability, and there will be no discrimination in the course of the meal service. Meals are served on a first come, first serve basis.

The USDA program pays for the children's meals—ZM is assisting with the meal site. However, parents and students must understand that this is not a daycare service for students who participate. Participants will be asked to enter the cafeteria by the baseball field doors and exit the building using the same doors when they are finished eating. ZM welcomes all students to participate and appreciate your help with this. Our school buildings are busy in the summer with custodians cleaning, moving equipment, and waxing floors. For safety purposes, we need students in designated areas only.

Keep these meal options in mind when your child is at community education activities, weight lifting, summer camps, or other events at the Zumbrota site. No registration is required. A shuttle bus ride to Zumbrota will be available for Mazeppa children wishing to participate in lunch. Bus will leave Mazeppa at 11:00 am and return children at 12:00 pm. Pick up will be by the small gym on Third Ave NE in Mazeppa.

What are you missing?? It is time to look in the “**BOX**”  
Items not claimed by June 1 will be given to charity!!

**LAST DAY DISMISSAL:** Students will be dismissed from Mazeppa at 1:25 pm and Zumbrota at 1:40 pm on Thurs., May 30. A sack lunch will be served on the last day.

**LOST AND FOUND:** Please take a few minutes to check the lost and found tables/boxes at your child's school. Many items have been “lost” only to be “found” when parents looked! Anything left will be donated to charity when school ends.

**FOOD ACCOUNT BALANCES:** Meal account balances need to be paid in full by the year's end. Students must have money in their account in order to purchase a meal and they must have money in their account before purchasing ala carte items. If you are unsure of your child's balance, please call or email Brian Wright, Lunchtime Solutions food manager, at 732-7395, ext. 1102 or [brianw@lunchtimesolutions.com](mailto:brianw@lunchtimesolutions.com). Any money left in your child's account will be forwarded to next year's account.

**SENIOR ACCOUNTS WILL BE CLOSED ON FRIDAY, MAY 24.** Any senior owing money for lunch will need to have it paid by that day. Seniors that have money in their account will be refunded on that day after commencement practice. If there is a sibling in a lower grade, the money will be transferred into that account unless parents contact Brian Wright.

For the 2019-20 school year, please note that **APPLICATIONS FOR FREE AND REDUCED BENEFITS WILL BE MAILED TO EACH HOUSEHOLD IN THE DISTRICT IN AUGUST.**

**APPLICATIONS DO NOT CARRY OVER YEAR TO YEAR. HOUSEHOLDS WISHING TO APPLY MUST FILL OUT A NEW APPLICATION EACH SCHOOL YEAR.**

Parents are encouraged to fill out the application when it arrives in August and return it to the District Office in Mazeppa ASAP for processing. This will ensure that if your household qualifies for benefits, they will be in place prior to the start of school.

# School Board Minutes

Two special meetings were held in May to discuss the facilities project; one in Mazeppa and one in Zumbrota. Mr. Harvey presented information on the proposed facilities improvements and questions were answered. A special meeting was held on May 9 to review the MN Dept of Education’s Review and Comment statement on the proposed school building project. The Commissioner of Education issued a positive review and comment.

The monthly work session was held on May 13 in Mazeppa. A special meeting was set to canvass the election results for May 20 at 7:00 pm with the regular meeting to follow. Todd Netzke from School Management Services gave a short presentation on the services his company offers. Mr. Harvey reviewed budget projects and there was discussion on the bus cameras and the school picking up the cost of the cameras. Also discussed was the possibility of a van route picking up the children on Hwy 52 rather than buses to increase the safety of those students. The athletic trainer agreement was discussed; the board was informed the cost would go up considerably in the next year. The townhouses for sale were discussed; a construction meeting was held May 16. Policies for review included #403 Discipline, Suspension, Dismissal of School District Employees; #550 Access to Limited Open Forum; #801 Equal Access to School Facilities; #549 Foreign Exchange Students; #552 Post Secondary Enrollment; and #542 Student Assistance Program.

The board meeting to canvass election results was held May 20. The precinct summary statement showed 983 voted in favor and 1,159 voted against the proposition. The regular monthly board meeting was held immediately following the canvass meeting.

Mr. Harvey presented the middle/high school report in Mr. Anderson’s absence. The senior exit survey was discussed along with ACT testing, 6th grade orientation, and community service day. Mr. Harvey also noted that approximately \$40,000 in scholarships were awarded to students during the recognition night May 15.

Mr. Rasmussen reported for the primary/elementary schools. A survey through Speak Up has begun for K-12 students, educators, and parents regarding technology in the schools. Mrs. Langley also conducted a survey about the effect the Kindness Retreat that was held in November. Class lists have been created and data meetings are being held May 20 and 21. He also noted the press release from last week regarding the bus stop arm violations this year.

Ms. Ahern reported on special education. The ADSIS application has been submitted, but no response from the MN Department of Education as of the meeting date. The special education teacher needed for the primary has been hired and paraprofessional position interviews will begin this week. Extended school year will begin in July with morning and afternoon sessions. The Adaptive Bowling team attended state competition May 17 with two teams placing in the top ten.

Mr. Harvey presented the treasurer’s report to the board. Enrollment was steady at 1,195 for May. The board will march in the Covered Bridge parade June 15.

There was no patron input.

Brett Boelter from The Kalass Agency presented information on property and liability insurance for the 2019-20 school year. EMC Insurance was the only company that submitted a bid this year. Mr. Boelter felt this was because there had been numerous claims in the last few years, such as the gym floor flooding, the sprinkler system breakdown due to cold weather, and injuries. EMC's bid was for \$99,998.01 and included \$71,424.01 for the package, \$26,757 for workers comp, and \$1,817 for the umbrella. This will be an action item at the June regular meeting.

Scott and Ashley Kennedy from Kennedy Transportation were in attendance to give information about the bus cameras and the proposed van routes on Highway 52. Cameras were put in all the buses in November 2017 with cameras having a life expectancy of ten to twelve years. Mr. Kennedy felt it would be best if the school owned the cameras. He also proposed van routes for student pickup on Highway 52 for safety reasons, especially when construction begins next year and the lanes are down to one. Both items will be on the June 24 agenda for action.

The board approved the 2019-20 capital budget items in the amount of \$251,923.74. This budget includes the lift van purchase, which will be reimbursable through the state for the

next five years. There was discussion on the school facilities project and what the next steps should be after the failed referendum May 14. A comprehensive survey of all registered voters will be conducted to gather more data on what the public feels they could support. Mr. Harvey will have the information available at the June 10 work session regarding survey options, etc.

Minutes were available from the Goodhue County Education District, the Wasioja Education Technology Cooperative, and the Southeast Service Cooperative.
